

## Coverage for your specific needs

A Chronic Condition Special Needs Plan (CSNP) is a Medicare Advantage plan with all the benefits of Original Medicare, plus prescription drug coverage and specialized coverage for qualifying health needs. These plans are available only to people with one or more specific qualifying health conditions.

## It starts with Medicare

### Original Medicare – Parts A and B

- For those 65 and up or those who qualify due to disability
- Part A: hospital and inpatient costs
- Part B: doctor and outpatient costs

### Medicare Advantage

- Includes everything Original Medicare has and may offer additional benefits
- It's only available from private companies, such as Humana
